Terms of Settlement

A. Settlement Consideration

38. Defendant shall pay the Maximum Settlement Amount of two-hundred and fifty-thousand dollars (\$250,000), which shall be comprised of the Individual Settlement Payments, the Service Payment, the Fee and Expense Award, the PAGA Payment, the Employer-Side Payroll Taxes, and the Administration Costs, as specified in this Settlement. The Parties agree that this is a non-reversionary Settlement and that no portion of the Maximum Settlement Amount shall revert to Defendant.

B. Release by All Settlement Class Members

39. As of the Effective Date, Plaintiff and Class Members (other than those who submit valid requests for exclusion) fully release the Class Released Claims against the Released Parties and agree not to sue or otherwise make a claim against any of the Released Parties for the Class Released Claims.

C. Certification of the Settlement Class

40. The Parties stipulate to conditional class certification for the Class Period for purposes of settlement.

D. Preliminary Approval

41. As soon as is practicable, Plaintiff will file a motion for preliminary approval of the Settlement, which shall include this Stipulation of Settlement and any other documents necessary to implement the Settlement. Defendant shall timely file a statement of non-opposition to the motion for order granting preliminary approval. The preliminary approval motion shall be served by Class Counsel upon Defendant and the LWDA. Class Counsel shall provide a copy of the draft motion for preliminary approval to Defendant's Counsel for review three (3) calendar days before filing it with the Court.

E. Settlement Administrator

42. The Settlement Administrator shall be responsible for printing and mailing the Notice Packets to Class Members as directed by the Court; receiving and reporting the objections and requests for exclusion; processing and mailing payments to Plaintiff, Class Counsel, the LWDA, and Settlement Class Members as directed by the Court; distributing tax forms; processing and mailing tax payments to the appropriate state and federal taxing authorities; providing declaration(s) as necessary in support of preliminary and/or final approval of this Settlement; and other tasks as the Parties mutually agree or the Court orders the Settlement Administrator to perform. The Settlement Administrator shall keep the Parties timely apprised of the performance of all Settlement Administrator responsibilities.

F. Notice Procedure

43. No later than seven (7) calendar days after the Preliminary Approval Date, Defendant shall provide the Settlement Administrator with the Class Data for purposes of preparing and mailing Notice Packets to Class Members.

44. The Notice Packet shall contain the Notice of Class-Action Settlement, informing Class Members that, in order to receive an Individual Settlement Payment, they do not need to do anything except to keep the Settlement Administrator apprised of their respective current mailing addresses. The Notice of Class-Action Settlement shall set forth the release to be given to all Settlement Class Members in exchange for an Individual Settlement Payment.

45. The Notice Packet shall also contain an Employment-Information Sheet, including the Class Member's starting and ending dates of employment during the Class Period, the Class Member's number of Individual Pay Periods, and the Class Member's estimated amount of his or her Individual Settlement Payment if he or she does not request to be excluded from the Settlement. The Settlement Administrator shall use the Class Data to determine the dates of employment and to calculate the number of Individual Pay Periods for each Class Member.

46. The Notice Packet shall contain a Change-of-Address Form that Class Members may use, if necessary.

47. The documents in the Notice Packet shall be in English and Spanish.

48. Upon receipt of the Class Data, the Settlement Administrator will perform a search based on the National Change of Address Database to update and correct any known or identifiable address changes. No later than fourteen (14) calendar days after receiving the Class Data from Defendant as provided herein, the Settlement Administrator shall mail copies of the Notice Packet to all Class Members via regular first-class U.S. Mail, and shall post the Notice Packet, the Complaint, the motion for preliminary approval, this Stipulation of Settlement, the supplemental briefing filed with this Stipulation of Settlement, and the Preliminary Approval Order on its website. In addition, promptly after Class Counsel files its motion for the Fee and Expense Award with the Court, the Settlement Administrator shall post that motion on its website. The Settlement Administrator shall exercise its best judgment to determine the current mailing address of each Class Member. The address identified by the Settlement Administrator as the current mailing address shall be presumed to be the best mailing address for each Class Member.

49. Any Notice Packets returned to the Settlement Administrator as non-delivered on or before the Response Deadline shall be re-mailed to the forwarding address affixed thereto. If no forwarding address is provided, the Settlement Administrator shall promptly attempt to determine the correct address by lawful means, and shall then perform a re-mailing, if another mailing address is identified by the Settlement Administrator. Class Members who are sent a re-mailed Notice Packet shall have their Response Deadline extended fifteen (15) calendar days from the original Response Deadline.

50. Class Members will have the opportunity, should they disagree with Defendant's records regarding the dates of employment stated on their Employment-Information Sheet, to provide documentation and/or an explanation to show contrary employment dates. If there is a dispute, the Settlement Administrator will consult with the Parties to determine whether an adjustment is warranted. The Settlement Administrator shall determine the eligibility for, and the amounts of, any Individual Settlement Payments under the terms of this Settlement, and that determination shall be binding.

51. Any disputes not resolved by the Settlement Administrator concerning the administration of the Settlement will be resolved by the Court under the laws of the State of California. Prior to any such involvement of the Court, respective counsel for the Parties will confer in good faith to resolve the disputes without the necessity of involving the Court.

52. Settlement Class Members are not required to submit a claim form to receive an Individual Settlement Payment. The Notice of Class-Action Settlement contained in the Notice Packet shall state that Class Members who wish to receive Individual Settlement Payments need not do anything except to keep the Settlement Administrator apprised of a current mailing address in order to receive an Individual Settlement Payment check following the Effective Date of the Settlement.

53. The Notice of Class-Action Settlement contained in the Notice Packet shall state that Class Members who wish to exclude themselves from the Settlement must submit a written request for exclusion by the Response Deadline. The written request for exclusion must state that the Class Member wishes to exclude himself or herself from the Settlement and (1) must contain the name, address, telephone number, and Employee ID number or the last four digits of the Social Security number of the person requesting exclusion; (2) must be signed by the Class Member; (3) must be postmarked or fax-stamped by the Response Deadline and returned to the Settlement Administrator at the specified address or fax telephone number; and (4) contain a typewritten or handwritten notice stating in substance: "I have read the Notice of Class-Action Settlement sent to me, and I wish to opt out of the Settlement of the case *Omar Rodriguez v. Hawk II Environmental Corp.*, Los Angeles County Superior Court, Case Number BC625121. I understand that I will not receive an Individual Settlement Payment pursuant to the terms of the Settlement." The request for exclusion will not be valid if it is not timely submitted, if it is not signed by the Class Member, or if it does not contain the name and address of the Class Member. The date of the postmark or fax-stamp on the request for exclusion shall be the exclusive means used to determine whether the request for exclusion was timely submitted. Any Class Member who requests to be excluded from the Settlement Class will not be entitled to any recovery under the Settlement and will not be bound by the terms of the Settlement or have any right to object, appeal, or comment thereon. Class Members who fail to submit a valid and timely written request for exclusion on or before the

Response Deadline shall be bound by all terms of the Settlement and any final judgment entered in this Action if the Settlement is approved by the Court. At no time shall any of the Parties or their respective counsel seek to solicit or otherwise encourage Class Members to submit requests for exclusion from the Settlement.

54. If any Class Member submits a defective request for exclusion before the Response Deadline, the Settlement Administrator shall notify both Class Counsel and Defendant's Counsel so that the Parties can meet and confer regarding any such defective request for exclusion and thereafter promptly instruct the Settlement Administrator concerning the defect(s).

55. The Notice of Class-Action Settlement contained in the Notice Packet shall state that Settlement Class Members who wish to object to the Settlement may submit to the Settlement Administrator a written statement of objection by the Response Deadline. Written objections must be postmarked or fax-stamped by the Response Deadline and returned to the Settlement Administrator at the specified address or fax telephone number. The date of the postmark or fax-stamp on the written objection shall be deemed the exclusive means for determining that the written objection was served timely. The written objection must be signed by the Settlement Class Member and state: (1) the full name of the Settlement Class Member; (2) the dates of employment of the Settlement Class Member; (3) the Settlement Class Member's Employee ID number or the last four digits of the Settlement Class Member's Social Security number; (4) the basis for the objection; and (5) if the Settlement Class Member intends to appear at the final approval/settlement fairness hearing. At no time shall any of the Parties or their respective counsel seek to solicit or otherwise encourage Settlement Class Members to file or serve objections to the Settlement or appeal from the Final Approval Order and Judgment. Class Members who submit a written request for exclusion are not entitled to object to the Settlement.

56. Within one (1) week (*i.e.*, seven (7) calendar days) of the conclusion of the Response Deadline (extended, if necessary, by the time periods noted above), the Settlement Administrator will provide a written report to both Parties' respective counsel noting the number of Notice Packets sent; the number that were returned as undeliverable (after the follow-up required herein); the number of requests for exclusion received, including the names of those individuals who opted out and the dates of the exclusions; and the objections received, if any. Prior to the due date for this report, the Settlement Administrator will reasonably respond to all requests from either Party's counsel for a report on the current status of the claims-administration process and provide weekly reports to the Parties' respective counsel.

57. If seven percent (7%) or more of the Class Members submit timely, non-defective requests for exclusion, Defendant shall have the option of canceling the Settlement, and all actions taken in its furtherance will be null and void. Based on Defendant's records, the Parties estimate that there are approximately one-hundred and nine (109) Class Members, meaning that Defendant can exercise this option if eight (8) or more Class Members submit timely, non-defective requests for exclusion. Defendant must exercise this right within seven (7) calendar days after the Settlement Administrator notifies the Parties of the number of written requests for exclusion received. If Defendant exercises the option to cancel the Settlement, Defendant shall pay all Administration Costs incurred through the date of the cancellation, as well as all Administration Costs incurred as a result of the cancellation.

58. Plaintiff and Defendant agree that no Party, including their respective counsel of record, will encourage Class Members to submit requests for exclusion from the Settlement.

G. Funding and Allocation of Maximum Settlement Amount

59. Defendant is required to pay the Maximum Settlement Amount pursuant to the following schedule:

(a) On the Preliminary Approval Date, Defendant shall deposit ten percent (10%), or twenty-five thousand dollars (\$25,000), of the Maximum Settlement Amount with the Settlement Administrator.

(b) No later than five (5) calendar days after the Effective Date, Defendant shall deposit one-hundred and sixty-five thousand dollars (\$165,000) of the Maximum Settlement Amount with the Settlement Administrator.

(c) Within two (2) months after the Effective Date, Defendant shall deposit thirty-thousand dollars (\$30,000) of the Maximum Settlement Amount with the Settlement Administrator.

(d) Within fourth (4) months after the Effective Date, Defendant shall deposit the final thirty-thousand dollars (\$30,000) of the Maximum Settlement Amount with the Settlement Administrator.

60. Individual Settlement Payments shall be paid from the Net Settlement Amount pursuant to the following methodology.

(a) Eighty percent (80%) of the Net Settlement Amount will be allocated to the Settlement Class and distributed pro rata based on each Settlement Class Member's Individual Pay Periods relative to the total number of pay periods worked throughout the Class Period by all Settlement Class Members, *i.e.*, each Settlement Class Member's Individual Pay Periods ("x") will be divided by the total of number of pay periods worked throughout the Class Period by all Settlement Class Members ("y"), and that quotient then will be multiplied by eighty percent (80%) of the Net Settlement Amount ("z"): $(x/y) \times z$. This payment represents amounts allegedly owed for wage-statement violations, allegedly owed meal-and-rest-period violations, allegedly owed unpaid overtime, allegedly owed uniform reimbursement, and any liquidated damages, interest, and penalties thereon—all as alleged in the Complaint. This payment shall be allocated one-third to wages, one-third to penalties, and one-third to interest. The portion allocated to penalties and interest shall be reported on a Form 1099, and the portion allocated to wages shall be reported on a Form W2 subject to tax withholding.

(b) Twenty percent (20%) of the Net Settlement Amount will be allocated to, and divided equally among, Settlement Class Members who are former employees of Defendant as of the conclusion of the Class Period. This payment shall represent amounts allegedly owed for waiting-time penalties under section 203 of the California Labor Code—as alleged in the Complaint. This payment shall be reported on a Form 1099.

(c) For any Settlement Class Member who previously executed a Confidential General Release Agreement with Defendant between February 17, 2016, and December 12, 2016, and received a previous settlement payment therefrom, the amount of the previous settlement payment will be deducted from the Settlement Class Member's Individual Settlement Payment ("Offset"). The Offset amounts will be paid to the Los Angeles Mission, as the *cy pres* recipient, subject to the Court's approval. The Los Angeles Mission is a 501(c)(3) corporation and located at 303 East Fifth Street, Los Angeles, California 90013. The Offset amounts shall be earmarked for the Urban Training Institute at the Los Angeles Mission.

61. Individual Settlement Payments shall be mailed by regular first-class U.S. Mail to Settlement Class Members' respective last-known mailing addresses no later than fourteen (14) calendar days after the Effective Date.

62. Any checks issued to Settlement Class Members shall remain valid and negotiable for one-hundred and eighty (180) calendar days from the date of their issuance. Individual Settlement Payment checks which remain uncashed after one-hundred and eighty (180) calendar days shall be voided, and such funds shall escheat in accordance with the applicable escheat laws of the States involved. It shall be the responsibility of the Settlement Administrator to maintain an escheatment account and to administer such uncashed Individual Settlement Payments in accordance with the applicable escheat laws of the involved States pursuant to this provision.

63. Defendant agrees not to oppose or object to any application or motion by Plaintiff for the Service Payment to Plaintiff in the amount of seven-thousand, five-hundred dollars (\$7,500), to be paid in addition to Plaintiff's Individual Settlement Payment. The Settlement Administrator shall pay the Service Payment to Plaintiff from the Maximum Settlement Amount no later than fourteen (14) calendar days after the Effective Date. Any portion of the requested Service Payment that is not awarded to Plaintiff shall be part of the Net Settlement Amount and shall be distributed to Settlement Class Members as provided in this Settlement. An IRS Form 1099 will be issued to Plaintiff in connection with the Service Payment.

64. Defendant agrees not to oppose or object to any application or motion by Class Counsel for attorneys' fees not to exceed thirty-three and one-third percent (33.33%) of the Maximum Settlement Amount (eighty-three thousand, three-hundred and twenty-five dollars (\$83,325) out of two-hundred and fifty-thousand dollars (\$250,000)), plus costs and expenses not to exceed seven-thousand and five-hundred dollars (\$7,500) and as supported by declaration, from the Maximum Settlement Amount for the Fee and Expense Award. Any portion of the requested Fee and Expense Award that is not awarded to Class Counsel shall be part of the Net Settlement Amount and shall be distributed to Settlement Class Members as provided in this Settlement. The Settlement Administrator shall pay the Fee and Expense Award to Class Counsel from the Maximum Settlement Amount no later than fourteen (14) calendar days after Defendants has fully funded the Maximum Settlement Amount. A Form 1099 will be issued to Class Counsel with respect to the fees distributed to them pursuant to this provision.

65. The LWDA's share of the PAGA Payment shall be paid to the LWDA no later than fourteen (14) calendar days after the Effective Date.

66. The Settlement Administrator shall be paid for its reasonably incurred fees and expenses, which are estimated not to exceed twelve-thousand dollars (\$12,000). The Settlement Administrator shall be paid the Administration Costs no later than fourteen (14) calendar days after the Effective Date.

H. Tax Liability

67. The Parties make no representations as to the tax treatment or legal effect of the payments called for hereunder, and Settlement Class Members are not relying on any statement or representation by the Parties in this regard. Settlement Class Members understand and agree that they will be responsible for the payment of any taxes and penalties assessed on the Individual Settlement Payments described herein (other than the Employer-Side Payroll Taxes), and will hold the Parties free and harmless from and against any claims, liabilities, costs, and expenses, including attorneys' fees, resulting in any way from personal tax treatment of the payments made pursuant to this Settlement (other than the Employer-Side Payroll Taxes), including the treatment of such payments as not subject to withholding or deduction for payroll and employment taxes.

I. Motion for Final Approval

68. As soon as practicable following the expiration of the Response Deadline, Plaintiff shall file with the Court a motion for final approval of the Settlement. In addition, before the expiration of the Response Deadline, Plaintiff shall file a motion for approval of the Fee and Expense Award. Plaintiff shall serve a copy of the final approval motion on Defendant's counsel, the LWDA, and any objector. Class Counsel shall provide a draft of the motion for final approval to Defendant's Counsel for review three (3) calendar days prior to filing the motion for final approval of the Settlement.

69. The Settlement Administrator shall submit a declaration in support of Plaintiff's motion for final approval of this Settlement detailing the number of Notice Packets mailed and re-mailed to Class Members, the number of undeliverable Notice Packets, the number of requests for exclusion, the number of objections received, the amount of the average Individual Settlement Payment, the Administration Costs, and any other information as the Parties mutually agree or the Court orders the Settlement Administrator to provide.

J. Defendant's Legal Fees, Costs, and Expenses

70. All of Defendant's own legal fees, costs, and expenses incurred in the Action shall be borne by Defendant.

K. No Effect on Employee Benefits

71. The Individual Settlement Payments and the Service Payment shall not have any effect on the eligibility for, or calculation of, any employee benefits (*e.g.*, vacation, retirement plans, *etc.*) of Class Members or Plaintiff. No benefit, including but not limited to 401(k) benefits, shall increase or accrue as a result of any payment made as a result of this Settlement.

L. This Settlement Is Fair, Adequate, and Reasonable

72. The Parties believe this Settlement is a fair, adequate, and reasonable settlement of this Action, and they have arrived at this Settlement after extensive arm's length negotiations, taking into account all relevant factors—present and potential.

In the event of any of the following—(i) the Court does not approve the scope of the Class Released Claims or (ii) material parts of the Stipulation of Settlement are not approved by the Court—Defendant may elect to reject this Settlement; the Stipulation of Settlement shall be null and void *ab initio*; any order or judgment entered by the Court in furtherance of this Settlement shall be treated as withdrawn or vacated by stipulation of the Parties; and, in that event, no part of the Stipulation of Settlement may be used as evidence in the Action, or in any other proceeding, forum, or litigation, regarding class- or representative-action treatment, or regarding the merits (or lack thereof) of the claims asserted in the Action. In such case, Plaintiff, Class Members, and Defendant shall be returned to their respective statuses as of the date immediately prior to the execution of this Stipulation of Settlement, except any costs incurred by the Settlement Administrator shall be borne by Defendant. In the event an appeal is filed from the Final Approval Order and Judgment, or any other appellate review is sought prior to the Effective Date, administration of the Settlement shall be stayed pending final resolution of the appeal or other appellate review.

N. Parties' Authority

74. The signatories hereto represent that they are fully authorized to enter into this Stipulation of Settlement and bind the Parties to the terms and conditions hereof.

O. Mutual Full Cooperation

Q. Construction

77. The Parties hereto agree that the terms and conditions of this Stipulation of Settlement are the result of lengthy, intensive, arms' length negotiations between the Parties and that this Stipulation of Settlement shall not be construed in favor of or against any of the Parties by reason of the extent to which any Party or his or its counsel participated in the drafting of this Stipulation of Settlement.

R. Jurisdiction of the Court

Plaintiff, Settlement Class Members, and Defendant agree to submit to the personal and exclusive jurisdiction of the Court. The Court shall retain jurisdiction solely with respect to the interpretation, implementation, and enforcement of the terms of this Stipulation of Settlement and all orders and judgments entered in connection therewith. EXHIBIT 1

Rodriguez v. Hawk II Environmental Corp.
SUPERIOR COURT OF CALIFORNIA, COUNTY OF LOS ANGELES
(CASE NO. BC625121)

NOTICE OF CLASS-ACTION SETTLEMENT (“NOTICE”)

IF YOU WERE AN EMPLOYEE OF HAWK II ENVIRONMENTAL CORP. (“DEFENDANT”) DURING THE PERIOD OF FEBRUARY 24, 2012, THROUGH JANUARY 26, 2017, YOU MAY BE ABLE TO COLLECT MONEY FROM A CLASS-ACTION SETTLEMENT.

The Los Angeles County Superior Court (“Court”) authorized this Notice to be sent by Phoenix Class Action Administration Solutions (“Settlement Administrator”). This is not an advertisement. This is not a solicitation from a lawyer.

DEFENDANT WILL NOT RETALIATE AGAINST YOU FOR PARTICIPATING IN THIS SETTLEMENT.

- A former employee of Defendant, Omar Rodriguez (“Plaintiff”), has sued Defendant on behalf of himself and all other similarly situated employees.
- Plaintiff and Defendant have reached a tentative settlement, which the Court has preliminarily approved.
- The settlement, if finally approved, will resolve Plaintiff’s lawsuit.
- Your legal rights are affected whether you act or don’t act. Read this notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS LAWSUIT	
YOU CAN DO NOTHING (Deadline: _____, 2017)	If you do nothing, you will continue your participation in this lawsuit, and you will be impacted by the outcome of this case. This means that you will receive a settlement payment in exchange for giving up any rights you have to sue Defendant in your own lawsuit for the same legal claims made in this lawsuit. The amount of your settlement payment will be computed as described below (see Question 7). Once the Court grants final approval of the settlement, the Settlement Administrator will mail your check to the address on file for you.
YOU CAN ASK TO BE EXCLUDED FROM THE SETTLEMENT (Deadline: _____, 2017)	If you ask to be excluded from the settlement, you will not continue your participation in this lawsuit, and you will not be impacted by the outcome of this case. This means that you will not receive a settlement payment but that you will keep any rights to sue Defendant in your own lawsuit for the same legal claims made in this lawsuit. Important: You cannot ask to be excluded <u>and</u> get a settlement payment.
YOU CAN OBJECT TO THE SETTLEMENT (Deadline: _____, 2017)	If you do not like the settlement, you can submit an objection. If your objection is overruled, you will receive a settlement payment in exchange for giving up any rights you have to sue Defendant in your own lawsuit for the same legal claims made in this lawsuit. Important: You cannot ask to be excluded <u>and</u> submit an objection.

THESE RIGHTS AND OPTIONS ARE EXPLAINED IN MORE DETAIL BELOW.

The Court is in charge of this lawsuit and still has to decide whether to finally approve the settlement. Payments will be made if the Court finally approves the settlement and after appeals, if any, are resolved. **Please be patient.**

1. Why Should You Read This Notice?

You should read this Notice because you may be entitled to money from a class-action settlement.

2. What Is This Lawsuit About?

In the lawsuit, Plaintiff claims that Defendant violated the California Labor Code and the California Unfair Competition Law by: (1) failing to properly pay overtime to employees and forcing employees to “clock-out” while still on duty each workday; (2) issuing pay stubs that fail to list (a) employee identification numbers or only the last four digits of employees’ Social Security numbers, (b) the dates of pay periods, and (c) the employer’s address; (3) failing to provide proper meal and rest breaks to employees; (4) failing to reimburse employees for purchasing required uniforms; and (5) failing to pay all wages owed to former employees upon the termination of employment.

3. Why Is This A Class Action?

This lawsuit is a class action. In a class action, one person (or more), called a class representative (in this case, Omar Rodriguez), sues on behalf of people who allegedly have similar claims. All of these people are a class or class members. One case resolves the issues for all class members, except for those who exclude themselves. The Los Angeles County Superior Court is in charge of the case. The lawsuit is known as *Omar Rodriguez v. Hawk II Environmental Corp.*, Case No. BC625121. The Honorable John Shepard Wiley, Jr. is presiding over this case.

4. Why Is There A Settlement?

The Court has not decided in favor of Plaintiff or Defendant. Plaintiff thinks that he would win at trial, while Defendant thinks that Plaintiff would not win anything. But, there will be no trial. Instead, both sides have agreed to a settlement. That way, they avoid the costs of litigation, and the individuals potentially affected will get compensation. The class representative and the attorneys think that a settlement is best for class members.

5. How Do I Know If I Am Part Of The Settlement?

You are a class member if you were employed by Defendant in the State of California at any time from February 24, 2012, through January 26, 2017 (the “Class Period”). Based on Defendant’s records, Plaintiff and Defendant estimate that there are 109 class members.

6. What Does The Settlement Provide?

The proposed settlement provides for a cash payment by Defendant of \$250,000.00 to fully and finally resolve all claims in the lawsuit (referred to as the “Maximum Settlement Amount”). The total amount to be distributed to class members who do not exclude themselves from the settlement will be the value of the Maximum Settlement Amount **after deducting** for the following (the “Net Settlement Amount”): (a) settlement-administration costs estimated not to exceed \$12,000.00; (b) a class-representative service payment to Plaintiff Omar Rodriguez not to exceed \$7,500.00 for his work and efforts in prosecuting this case, and for undertaking the risks of costs (in the event the outcome of this lawsuit was not favorable); (c) Class Counsel’s attorneys’ fees not to exceed \$83,325.00; (d) Class Counsel’s actual litigation costs and expenses not to exceed \$7,500; (e) Defendant’s share of payroll taxes; and (f) payment of \$20,000.00 to the Labor and Workforce Development Agency pursuant to the Labor Code Private Attorneys General Act. **All of these deductions are subject to Court approval.**

No portion of the Net Settlement Proceeds will be returned to Defendant under any circumstances.

7. How Much Will My Payment Be?

Generally speaking, your share of the settlement will depend on the length of time that you worked for Defendant, whether you are a former employee of Defendant, and whether you received a prior settlement payment from Defendant in connection with signing a “Confidential General Release Agreement.” More specifically, your share of the settlement will be calculated as follows:

- 80% of the Net Settlement Amount will be allocated for the claims in the lawsuit for alleged unpaid overtime, improper pay stubs, meal-and-rest-period violations, and uniform reimbursement. Your share of this 80% will be based on the number of pay periods that you worked for Defendant during the Class Period as compared to the total number of pay periods worked for Defendant during the Class Period by all class members who do not exclude themselves from the settlement. In other words, your share of the 80% will be calculated by dividing the number of pay periods that you worked for Defendant during the Class Period by the total number of pay periods that all class members who do not exclude themselves from the settlement worked for Defendant during the Class Period, and then by multiplying that percentage by 80% of the Net Settlement Amount. The amount of the 80% that you will receive therefore depends on how many pay periods you worked for Defendant during the Class Period and on how many class members do not exclude themselves.
- 20% of the Net Settlement Amount will be allocated for the claim in the lawsuit for the alleged failure to pay all wages owed to former employees upon the termination of employment. You will receive a portion of this 20% if your employment with Defendant was terminated during the Class Period. The 20% will be divided equally among all class members whose employment with Defendant was terminated during the Class Period. In other words, whether you will receive a portion of the 20% depends on whether your employment with Defendant was terminated during the Class Period, and the amount of the 20% that you will receive depends on how many class members whose employment was terminated during the Class Period do not exclude themselves.
- To ensure that the Net Settlement Amount is distributed fairly, your share of the settlement will be adjusted if you previously received a settlement payment from Defendant. More specifically, if you received a previous settlement payment from Defendant in connection with signing, between February 17, 2016, and December 12, 2016, a Confidential General Release Agreement, the amount of your previous settlement payment will be deducted from your share of the settlement and donated to the Los Angeles Mission’s Urban Training Institute.

Your estimated share of the settlement is shown on the enclosed Employment-Information Sheet. The estimate has been calculated based on an assumption that no class members will exclude themselves from the settlement, meaning that you ultimately may receive more than the estimate if class members exclude themselves.

8. How Do I Get A Payment?

To qualify for payment, you need not do anything other than to make the Settlement Administrator aware of your current mailing address if it changes by completing and mailing the enclosed Change-of-Address Form. The Settlement Administrator will mail you a check within about fourteen (14) days after the Court enters a judgment based on this settlement, but possibly later depending on whether, for example, there is any appeal of the judgment entered by the Court.

9. What If The Information On The Employment-Information Sheet Is Inaccurate?

If you believe that the information on the Employment-Information Sheet is inaccurate as to the amount of time

that you worked for Defendant during the Class Period, you should inform the Settlement Administrator. Be sure to include your name, address, telephone number, employee identification number or the last four digits of your Social Security number, and a statement as to what and why you are disputing. Also attach a copy of any documentation you want to include to support your dispute.

10. What Am I Giving Up To Get A Settlement Payment?

Unless you request to be excluded from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Hawk II Environmental Corp. for any legal claims that were asserted in Plaintiff's lawsuit based on the facts alleged by Plaintiff in the lawsuit. Specifically, you will be giving up—or “releasing”—the following claims:

Release of Claims: After the Court has approved the settlement, each class member who has not submitted a valid request to be excluded from the settlement will be bound by the approval and judgment, and will thereby release, Hawk II Environmental Corp. and its parent companies, divisions, subsidiaries, affiliates, owners, stockholders, predecessors, successors, assigns, agents, directors, officers, employees, former employees, representatives, attorneys, benefit plans, insurers, and all persons acting by, through, under, or in concert with any of them (“Released Parties”) from all claims, demands, rights, liabilities, and causes of action that were asserted by the class based on the facts asserted in the Complaint filed by Plaintiff in the lawsuit on June 24, 2016, including but not limited to any such claims under California Labor Code sections 201, 202, 203, 226, 226.7, 510, 512, 1194, 1198, and 2802; the Private Attorneys General Act (California Labor Code section 2698 *et seq.*); and the Unfair Competition Law (California Business and Professions Code section 17200 *et seq.*). The release is limited to all claims as described above that were asserted on behalf of the class for the period from February 24, 2012, through January 26, 2017.

11. How Do I Exclude Myself From The Settlement?

To exclude yourself from the settlement, you must send a letter by mail saying that you want to be excluded from the settlement. The letter must state, in substance: “I have read the Notice sent to me, and I wish to opt out of the settlement of the case *Omar Rodriguez v. Hawk II Environmental Corp.*, Los Angeles Superior Court, Case Number BC625121. I understand that I will not receive a settlement payment pursuant to the terms of the settlement.”

Be sure to include your name, address, telephone number, Employee ID number or the last four digits of your Social Security number, and signature. You must mail your exclusion letter postmarked no later than _____, 2017, to *****. Alternatively, you must fax your exclusion letter no later than _____, 2017, to *****.

If you ask to be excluded, you will not get a settlement payment, and you cannot object to the settlement, but you will not be legally bound by anything that happens in this lawsuit. You will keep any rights to sue (or continue to sue) Defendant in the future for the same legal claims made in this lawsuit.

12. If I Don't Exclude Myself, Can I Sue Defendant Or Get Money From The Settlement?

If you exclude yourself from the settlement, you can still sue Defendant for any of the claims that this settlement resolves. But if you do not exclude yourself from the settlement, you cannot sue Defendant for those claims. If you have a pending lawsuit against Defendant, speak to your lawyer in that case immediately. You may have to exclude yourself from this case to continue with your own lawsuit. Remember, the exclusion deadline is _____, 2017.

Again, if you exclude yourself from this settlement, you cannot get money from this settlement.

13. How Do I Tell The Court That I Don't Like The Settlement?

If you are a class member and you do not exclude yourself from the settlement, you can object to the settlement if you don't like any part of it. You can give reasons why you think the Court should not approve the settlement.

You may object to the proposed settlement in writing. You also may appear at the final approval hearing for the settlement (see Question 17 below for details as to when this hearing will take place), either in person or through an attorney at your own expense.

All written objections must state (1) your full name; (2) the dates of your employment; (3) your Employee ID number or the last four digits of your Social Security number; (4) the basis for the objection; and (5) if you intend to appear at the final approval/settlement fairness hearing. You must mail your written objection postmarked no later than _____, 2017, to *****. Alternatively, you must fax your written objection no later than _____, 2017, to *****.

14. What Is The Difference Between Objecting And Excluding?

Objecting is telling the Court that you don't like something about the settlement. You can object only if you do not exclude yourself. Excluding yourself, on the other hand, is telling the Court that you don't want to be a part of the settlement. If you exclude yourself, you have no basis to object because the case no longer affects you. However, if you file an objection, you still will receive settlement benefits under the settlement if the settlement is approved by the Court.

15. Do I Have A Lawyer In This Case?

The law firms of Hekmat Law Group and Jaurigue Law Group, both of which represent Plaintiff Omar Rodriguez, have been provisionally certified to represent you and all class members. You will not be charged for these lawyers. These law firms are referred to as "Class Counsel." If you want to be represented by your own lawyer, you may hire one at your own expense.

16. How Will The Attorneys For The Class And The Class Representative Be Paid?

The attorneys for Plaintiff and the class will be paid from the \$250,000.00 Maximum Settlement Amount. Class Counsel will ask for up to \$83,325.00 in attorneys' fees and will also ask for actual litigation costs incurred not to exceed \$_____, the actual amount of which will be determined by the Court at the final approval hearing (see Question 17 below for details as to when this hearing will take place). Class members (like you) do not have to pay the fees and costs of Class Counsel. **If you elect, however, to hire your own lawyer, you have to make your own arrangements to pay your lawyer.**

If approved by the Court, a service payment to Plaintiff of an amount up to \$7,500.00 will be paid from the Maximum Settlement Amount for Plaintiff's work and efforts in prosecuting this case, and for undertaking the risks of costs (in the event the outcome of this lawsuit was not favorable).

17. Notice Of Hearing On Final Approval And Objections To Class-Action Settlement.

You hereby are notified that a final approval hearing will be held before the Honorable John Shepard Wiley, Jr. on _____, 2017, at _____ a.m., in Courtroom 311 of the Superior Court of California for the County of Los Angeles, located at 600 South Commonwealth Avenue, Los Angeles, California 90005, to determine whether the proposed settlement is fair, reasonable, and adequate, and whether it should be finally approved by the Court. The Court may adjourn the hearing from time to time, without further notification, as the Court may direct.

Once final approval is granted by the Court, the Court will enter judgment against Defendant, and all class

members who have not requested exclusion will be deemed to have waived and released any and all causes of action or claims against the Released Parties from all causes of action arising between February 24, 2012, through January 26, 2017, that were alleged in the lawsuit based on the facts contained in Plaintiff's Complaint.

18. How Do I Get More Information?
